

“Cricket Tournament & PPT presentation”

Mahavir College of Pharmacy organized a unique competition that blended sportsmanship with academic process featuring both a cricket tournament & pharmacy-related paper presentation for D. Pharmacy & B. Pharmacy students held from 5th Feb. to 9th Feb 2023 the event attracted enthusiastic participation from students to showcase their talent on the cricket field and their knowledge in field of pharmacy.

While cricket matches provided an avenue for friendly competition & team bonding. The presentation allowed students to delve into various pharmaceutical topics, presenting their research in front of judges.

Winners of the both cricket tournament & paper presentation were recognized & rewarded, emphasizing the college commitment to promoting holistic development & interdisciplinary learning among its students such initiative serve to enrich the academic experience at Mahavir College of Pharmacy & pave the way for future endeavors & professional development.
