

Campus Interview (Advantmed)

Mahavir Institute of Pharmacy organized a pool campus drive for students on 05th June 2023. The campus drive was organized to facilitate student interaction with potential employers and provide them with opportunities for full-time employment. Advantmed India Ltd. Participated in the recruitment process.

- **Organizers:** The event was coordinated by the Training & placement cell of Mahavir Institute of Pharmacy.
- **Employers:** Representatives from Advantmed India Ltd. participated in the drive, seeking to recruit students for various positions.
- **Students:** Undergraduate and postgraduate students from D. Pharmacy, B. Pharmacy, M. Pharmacy, and MSc. disciplines attended the event.

Feedback from students was overwhelmingly positive, with many expressing gratitude for the chance to interact directly with potential employers and explore career options.

The campus drive was a resounding success, fostering meaningful connections between students and employers while paving the way for future career opportunities. It served as a testament to the university's commitment to preparing students for the professional world.
