

Guest lecture on: Soft Skill Development

On 24th August 2023, Mahavir Institute of Pharmacy organized a guest lecture on soft skill development for B. Pharm & D. Pharm students. The lecture was conducted by Mrs. Apeksha Patil, a renowned personality development trainer.

She commenced the lecture by emphasizing the importance of soft skill in today's competitive scenario. The further lecture continued with discussing some tips & tricks to improve and stand out from the crowd through personality development.

The points she discussed are as follows:

- 1) How to improve one's personality Mrs. Neeta stressed that a good personality is a combination of several factors such as body language, grooming, dressing sense & communication skills.
- 2) How grammar is most important in effective communication, and guided for the same.

The lecture concluded with a Question-Answer session where students clarified their doubts. The guest lecture on soft skill development provided participants with valuable insights and practical tools to enhance their interpersonal effectiveness and professional success. By cultivating essential soft skills, individuals can navigate challenges with confidence, build meaningful relationships, and achieve their goals in both personal and professional domains. Continued focus on soft skill development is essential for adapting to evolving workplace dynamics and maximizing one's potential in today's competitive landscape.
