

Guest lecture on: “Induction Program”

The induction program held on 07th September 2023 at Seminar Hall, Mahavir Institute of Pharmacy marked the beginning of an exciting journey for the newcomers i.e. First-year Diploma students joining our institution. Designed to familiarize them with the college environment and resources, the program aimed to facilitate a smooth transition into academic life.

The induction program commenced with a warm welcome extended to the new students by the college administration and senior faculty members. The event was characterized by informative sessions, interactive activities, and networking opportunities.

Key Highlights:

- ✚ Introduction to college policies.
- ✚ Academic orientation.
- ✚ Interactive session & Ice-breakers.
- ✚ Introduction to the pharmacy profession.
- ✚ Student support & counselling services.

The induction program concluded on a positive note, with the new students expressing enthusiasm and optimism about their academic journey ahead. Through informative sessions, interactive activities, and campus tours, the program successfully facilitated their integration into the college community.

Overall, the induction program served as a crucial orientation process, ensuring that the newcomers felt welcomed, informed, and supported as they embarked on their educational endeavors.
