

“World Pharmacist Day Celebration”

On the occasion of World Pharmacist Day, Mahavir Institute of Pharmacy marked World pharmacist day on 25th September 2023 with a memorable celebration focused on community welfare & awareness. All students of B. Pharmacy & D. Pharmacy delivered a captivating drama performance aimed to combatting superstition & promoting responsibilities through social media. They captivated the audience with their messages of empowerment & education.

Alongside the institute had organized a vital healthcare checkup including blood pressure assessment, eye examination, prioritizing the well-being of the local community.

The event left a profound impact emphasizing the crucial role of knowledge & health in fostering community care & well-being.
