

“A seminar Carrer guidance”

Mahavir College of Pharmacy organized a insightful career guidance & motivational speaker session on 4th December 2023 for D.Pharm & B.Pharm students featuring Ms. Rajeshri Gadhe-Gaikwad, Director of JB Infotech with specialization in software testing & ISTGB certified tester & agile certified. Ms. Gadhe is a renowned global trainer & motivational speaker.

Ms. Gadhe said entrepreneurship is chosen for its autonomy & innovation, thrives on qualities like resilience & strategic thinking. Successful entrepreneurs share experience, offer valuable insights, emphasizing perseverance & strategic decision making. The most valuable teachings which Ms. Gadhe discussed covered this following points:

Recognizing business opportunities, implementing market research & industry trends, to navigate project finance we need to have a comprehensive business plan & financial details.

Overall she guided the students to look entrepreneurship as a career option and gave a roadmap for successful entrepreneurial journey.
