

“Art exhibition & Fun fair”

Mahavir College of Pharmacy recently hosted an exciting event combined artistic expression with fun-filled activities featuring an art exhibition & fun fair for both D. Pharmacy & B. Pharmacy students. The event which was held on 14th February 2024 attracted a diverse range of participants to showcase their talent and creativity.

The art exhibition provided a platform for students to display their artwork, ranging from painting, sculptures to photography & digital art while the fun fair offered a variety of food stalls serving delicious treats and refreshments, providing a taste of culinary delights. This dynamic combination fostered a lively & vibrant atmosphere encouraging students to explore their artistic insights.

This event succeeded in fostering a sense of community among students while celebrating multifaceted talents & interests.
