

“Field visit to school.”

Shri Mahavir College of Pharmacy organised a field visit to Unnati Secondary and Higher Secondary High School for D pharmacy students on 11th March 2024.

The purpose of the visit was to provide students with an opportunity to interact with school students and create awareness about various aspect of pharmacy and healthcare.

During the visit D pharmacy students conducted informative and interactive activities to educate school students about the importance of medication safety healthy lifestyle practices and basic first aid.

They also discussed career opportunities in the field of Pharmacy and shared insight into the role of pharmacist in promoting community health.

Furthermore, students were engaged in discussion on topic such as drug abuse prevention and responsible medication use.

The visit not only allowed D pharmacy students to share there knowledge and expertise but also fasted a sense of social responsibility and community engagement among them.

Overall it was a rewarding experience that facilitated knowledge exchange and promoted health awareness among school students.
