

## “Seminar: GMP,GDP, working & departments of industry”

Mahavir Institute of Pharmacy recently hosted a seminar focused on GMP (Good Manufacturing Practices) GDP (Good Distribution Practices) and the departments of industry for D. Pharmacy and B. Pharmacy students on 15<sup>th</sup> March 2024.

The seminar aimed to teach students about importance of maintaining quality and safety standard in the pharmaceutical industries.

The chief guest Mr. Prathamesh Kulkarni from Glenmark pharmaceutical shared valuable insights into this topic, students learnt about the significance of GMP in ensuring the quality of pharmaceutical product during manufacturing and GDP role in maintaining product integrated during distribution.

They also gained understanding about the departments of industrie’s regulation governing the industry.

The seminar provided an interactive platform for students to engage with industry professional, enhancing the knowledge and preparing them for future careers in pharmacy.
