“Parent-Teacher Meet”

The Parent-Teacher Meeting (PTM) was held at the Seminar Hall, Mahavir Institute of Pharmacy on 5<sup>th</sup> April 2024 which served as a vital platform for effective communication and collaboration between parents and faculties. The PTM commenced with a warm welcome and introduction by the college administration. Parents actively participated in discussions, expressing their observations, concerns, and aspirations for their children's education. They appreciated the insights shared by teachers and sought guidance on how to support their child's learning journey effectively. Additionally, parents were briefed on the college's academic policies, examination schedules, and support services available for students.

With the aim of enhancing student success and overall academic growth, the meeting provided an opportunity for parents to engage in constructive dialogue with the respected principal sir & other faculty members. A total count of 82 parents were present for the meeting.

Key Objectives of the meeting were:

1. To establish a bridge between parents and teachers for better understanding and support of students.
2. To address any concerns or queries raised by parents regarding their child's academic progress and well-being.
3. To provide insights into students' academic performance, behavior, and overall development.
4. To discuss strategies for improving student outcomes and creating a conducive learning environment.
5. To solicit feedback from parents on college policies, programs, and initiatives.

### Outcomes and Recommendations:

1. **Enhanced Parental Involvement:** The PTM facilitated greater parental engagement in their child's education. Suggestions for conducting a meet involving both the parents & students in next meeting.
2. **Targeted Support Strategies:** Teachers gained valuable insights into students' needs and challenges, enabling them to effectively tailor support strategies.
3. **Strengthened Communication Channels:** The PTM reinforced the importance of open communication between parents and teachers, laying the foundation for continued collaboration and partnership. Parents suggested starting a WhatsApp group of parents for daily attendance updates.
4. **Continuous Improvement:** Feedback gathered from parents will be instrumental in refining college policies, programs, and practices to better meet the needs of students and families.
5. **Follow-up Actions:** Teachers and parents agreed upon specific action points and follow-up measures to address identified concerns and monitor student progress.
6. **New strategies:** Communicating for scholarships other than government scholarships. Parents suggested starting scholarships under the youth foundation. Making helmets compulsory for students who come by their private vehicles.

The action required for the suggestions has been successfully carried out immediately. A spirit of collaboration and mutual respect prevailed throughout the meeting, fostering a positive atmosphere conducive to productive dialogue. Teachers and parents exchanged valuable perspectives, reinforcing the shared commitment to the holistic development of students.
