

# “GATEWAY TO PHARMA AND HEALTHCARE”

**Venue:** Mahavir Institute of Pharmacy, Nashik.

**Date:** 28/04/2026

**Title:** Gateway to Careers in Pharma and Healthcare

**Target Audience:** Final Year B.Pharm Students

## **Introduction**

A career guidance session titled “Gateway to Careers in Pharma and Healthcare” was conducted for final-year B.Pharm students. The session aimed to provide insights into diverse career opportunities in the pharmaceutical and healthcare sectors, along with industry expectations and skill development pathways. The program also served as a platform for direct interaction between students, industry experts from PharmaEducare, and academic leaders from Nashik region colleges.

## **Distinguished Guests**

The session was honored by the presence of the following guests:

Mr. V.S. Magar (DBATU University)

Mr. Pravinkumar Bisen

Mr. Utkarsh Patle

Mr. Ajay Zhalke

Mr. Satish Mistry

## **Esteemed Principals**

Dr. Anil Jadhav (Mahavir institute of pharmacy)

Dr. A.B. Darekar (KVN Naik College of Pharmacy)

Dr. Nitin Hire (MVP Adgaon)

Dr. Rizwan Shaikh (MET Institute of Pharmacy)

Dr. Amol Patil (G.D. Burkule)

Dr. Shezad Sir (JMCT Institute pharmacy)

## **Felicitation:**

The guest was felicitated as a token of appreciation for sharing valuable knowledge and guidance. Gratitude was expressed for their time, effort, and contribution in making the session informative and inspiring.

## **Objectives of the Session**

The session was organized with the following key objectives:

- To create awareness about career opportunities in Pharma and Healthcare sectors
- To introduce students to the field of Medical Coding
- To highlight current industry requirements and essential skill sets
- To guide students on internships and certification opportunities

## “GATEWAY TO PHARMA AND HEALTHCARE”

- Session Highlights

The speakers shared valuable insights into the evolving landscape of the pharmaceutical and healthcare industries. They emphasized the importance of practical knowledge, industry-relevant skills, and continuous learning.

### **Key areas discussed included:**

- Diverse career paths such as clinical research, regulatory affairs, production, quality control, and medical coding
- The growing demand for skilled professionals in healthcare support roles
- Essential soft skills such as communication, teamwork, and adaptability
- Importance of internships and certifications in enhancing employability

### **Conclusion**

The session proved to be highly informative and beneficial for the students. It provided clear direction and motivation for pursuing successful careers in the pharma and healthcare sectors. The interaction between students and experts helped clarify doubts and broaden career perspectives.

### **Outcome**

#### **Students gained:**

Better understanding of career options

Awareness of industry expectations

Motivation to enhance their skills and pursue relevant certifications

#### **Acknowledgement:**

We sincerely thank the Principal, faculty members, and all staff for their continuous support and encouragement throughout the event. We also appreciate the enthusiastic participation of all the students, whose energy and teamwork made this event a great success. Without everyone's efforts, this program would not have been possible
